PROGRAM INFORMATION

This is a high-tempo, 5 hours-on-ice daily program designed to upgrade all aspects of the player's individual hockey performance. Time is devoted to balance, coordination, agile skating, stickhandling, shooting, passing, battling, and conditioning development through the use of Carousel's, Spring Boards, and Parallel Bars.

In the 25 hours the player spends on the ice during a one-week session of the camp, he experiences the full intensity and impact of STP's unique Hockey Agility Training System.

The camp is recommended for serious players committed to self-improvement.
